## AUDUBON MASTER BIRDER SERVICE COMMITMENT

I intend to meet the following requirements:

- Participate in at least 75% of the classroom sessions.
- Participate in at least 75% of the organized Audubon Master Birder field trips.
- Meet the "Requirements for Certification" one year after starting the Audubon Master Birder program.
- After receiving certification as an Audubon Master Birder, I will donate a minimum of 48 hours of volunteer service to Audubon Society of Greater Denver each year for 2 years after graduation to maintain my certification.

Note: It is expected that most participants will complete the program in one year. However, participants may request an extension of up to one year if circumstances make it impossible for them to complete the program in one year.
